### Current Discussions

- Currently there is not a searchable list of members of SCAPD. Discussed possibility of building a portion of the website for members only to access and having member information searchable as a database.

- We still have 2(?) years left on our endowed Chair

### Plan for future meetings

- Spring Meeting locations: Sumter, Myrtle Beach, Florence, Greenville, Charleston.
- Given past meetings being in Greenville, Charleston suggested location is Sumter given economical costs, ease of planning given board member is residing within this city.
- Potential Topics for Future meeting: Pediatric Airway, Practice Management, Orthodontic interventions with Orthodontics

Meeting terminated due time out from Zoom Meeting.
